A DEVOTIONAL WORKBOOK

Become the Woman God has Called You to Be!

Mary, the mother of Jesus, experienced a very powerful, yet practical and personal journey that led her to become the woman God called her to be. Using the spiritual blueprint she has left for us, God in His creativeness will guide you along your own unique pursuit of destiny.

A devotional workbook, *This Shall Be!* is a great companion to the book *How Shall This Be?* Designed to be used individually, with a friend, or in a group setting, it will put you on the path to your purpose and help you to:

- ✦ Gain a much deeper understanding of the incredible workings of God's favor, His grace, and His power.
- ✦ Come away certain of God's promises with clear vision and a course of action for walking in them.
- ✦ Place more confidence in God's supernatural, unlimited abilities rather than your own natural, limited abilities.
- ✦ Trust that the spiritual journey for accomplishing your dreams will naturally unfold.
- ✦ Partner with other women in their own endeavors to discover and birth God's purpose.
- ✦ Pursue your gifts and calling with a greater measure of courage, faith and obedience.

Each chapter of this devotional workbook is a stepping-stone that builds a bridge for you to cross from your potential into your possibilities.

“In this journey, you will discover the greater journey...”
